Subject: Purchase Orders for Work Orders: Protocol 473-01 and 473-02

Hi Valerie,

I just received signed Project Agreement Number 3 and Project Agreement Number 4 for protocols 473-01 and 473-02, respectively. Would you also assist in getting two separate purchase order numbers in place for these protocols? We will not need these numbers until early October so there is no urgency.

Thanks for your assistance,
Aimee
